

NHMU Summer Camp Registration Guide

Get ready for 2019 Summer Camp Registration!
Review these guidelines to be best prepared when registration opens at 10 a.m. on the following dates:

- ▶ **February 28** Priority Registration for Copper Club Members
- ▶ **March 6** Early Registration for Family-level Members and above
- ▶ **March 11** Public Registration

Pre-Registration

- ▶ **Step 1** – Check your NHMU Membership to make sure you're eligible for early registration. To do so, check your membership level and expiration date printed on your member card, or contact our Membership Department at 801-585-9054 or membership@nhmu.utah.edu.
- ▶ **Step 2** – View our [Summer Camp Sneak Peek](#) that offers a complete overview of all classes.
- ▶ **Step 3** – Download our [complete Summer Camp schedule](#) and select your camps.
- ▶ **Step 4** – View our [Summer Camp FAQ](#) page to answer questions.

Registration Day

No matter your membership level, the registration process will be the same but will take place on different dates. Membership level will be verified upon registration.

Once you add your first summer camp to your shopping cart, it will remain there for a maximum of 60 minutes. You must add any additional camps and complete the checkout process in that time, otherwise items will be removed from your cart to ensure availability to others.

Follow these steps to register:

- ▶ **Step 1** – Visit our [Summer Camp Overview](#) page.
- ▶ **Step 2** – Browse camps by following the links for grade levels in the menu on the left side of the webpage. This is the grade level your child will enter in the fall of 2019.
- ▶ **Step 3** – Select the “Click here to check availability and register” link next to the camp you want.
- ▶ **Step 4** – Complete the registration form:
 1. Enter the quantity of campers you wish to register in the corresponding membership level field and click **CONTINUE**. If you want to register two children in the same camp, you must enter “2” in this field. Returning to

the camp to add another single child will overwrite your first submission.

2. Fill out the name and address of your first camper (not you).
 3. Complete the Camper Information fields. A shortcut button will expedite the process by allowing you to apply the same information to multiple fields. At the end of these Summer Camp Guidelines is a cheat sheet with all the information you will need for each camper.
 4. You must read, sign, and return the University of Utah Waiver Form before the first day of camp. [Click here to review it in advance.](#)
 5. Select **ADD TO CART** to complete your camp registration. **From this point on, you have 60 minutes to complete your registration and checkout process.**
- ▶ **Step 5** – To add more camps, select the **SEE ALL CAMPS** button at the top of your shopping cart window. You will be directed back to the Summer Camp Overview page where you can browse additional camps.
 - ▶ **Step 6** – Once you have added all your Summer Camps to your shopping cart, complete the billing information in your shopping cart and review your order.
 - ▶ **Step 7** – Complete your billing information and submit your payment to finish the checkout process. If at any time you wish to add more camps, simply click the **SEE ALL CAMPS** button at the top of your screen.

Wait List

There will be no wait list this year. If spaces become available in any full camps, the page will automatically update to allow new registrations. Please bookmark and check back on any full camps for which you wish to register. Make sure to refresh the page to view the latest availability.

Questions or Comments?

If you have questions or comments regarding our Summer Camp lineup, please contact Shelli Campbell, NHMU Summer Camp Director, at 801-585-3948 or scampbell@nhmu.utah.edu.

For questions about your NHMU Membership, please contact the NHMU Membership Department at 801-585-9054 or membership@nhmu.utah.edu.
