Welcome!
We appreciate you serving as a chaperone today! We hope you have an enjoyable visit. This guide contains some information to help you and your students have a successful and engaging field trip.

Help your students be scientists
Tell them:
- Learn from their senses
- Notice details
- Ask questions and search for answers
- Make connections

Help students make connections
Ask them:
- What do you already know?
- Does this remind you of anything?
- What do you wonder?
- What do you notice?
- How do you know that?
- How could you find out?

Questions?
Call 801-581-6927 or the Education Program Specialist 801-581-5567

Notes

Natural History Museum of Utah
Hours Open Daily: 10 a.m. - 5 p.m.
Open Wednesdays: 10 a.m. - 9 p.m.
Navigating the Museum

1. **Group Entrance.** This is the entrance your field trip will be entering and exiting through.

2. **Community Room.** This is the space you will be eating lunch if you have a reservation. Your lunches will be stored in this room.

3. **Museum Café.** This is where visitors can purchase food.

4. **Canyon.** This is a good place to gather and take a break.

5. **Ticket gate.** This is where you will show your wristbands. You must go through the ticket gate to enter the galleries.

6. **Our Backyard.** This space is off-limits to school groups.

7. **Learning Labs.** These spaces are for classes held at the Museum. If the doors are open, you may explore in the Labs. If the doors are closed, please don’t open them, it disturbs the classes in session.

8. **Elevators and Bathrooms.** They are found on every level, drinking fountains are found on Levels 2, 3, and 5. Fieldtrip groups should not use the elevators unless there is a medical need.
