Pick-up Time

You will need to provide each of your bus drivers with a copy of this information.

Once you have entered the Bus un-loading/loading driveway at the Museum, please remain on the bus and a Museum greeter will come out to your bus to welcome you, pass out wristbands, and go over expectations.

If you are running late the day of your field trip, please contact the Museum at 801.581.5567, in order for us to make appropriate adjustments. Please be advised, you will be required to wait on your bus until there is a greeter available to welcome you.
