

GalleryQuest

Rediscover and Explore NHMU

Flex your creativity, interact with your group, and use your whole body to explore this open-ended quest! What is the most unique example you can find? Can you find multiple answers that fit? Use this quest each time you visit NHMU to discover a different experience.

Naturalist-in-Training

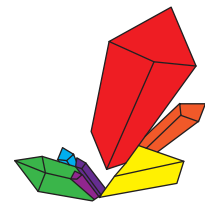

A quest to think, dance, and hop into new inspiration

Find something that **eats other animals** for food.

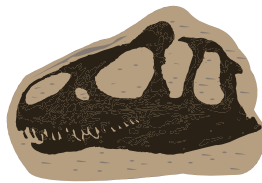

Find something that you think would **feel soft**.

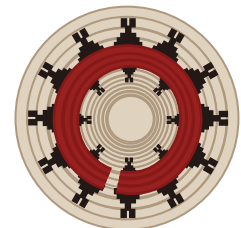

Find something that is your **favorite color**.

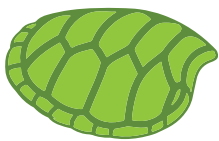

Find the colored Great Salt Lake floor. Do a **brine shrimp dance**!

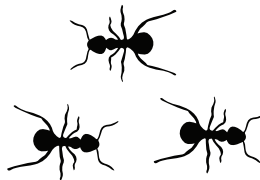

Find something that **tells a story**. Make up a title for this story.

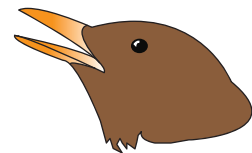

Find something that **humans made**.

Find something with a **pattern**.

Find something that **moves**. Copy that movement with your group.

Find something that **makes noise**. Try to make the same sound!
