

Natural History Museum of Utah Summer Camp 2019

Have you noticed that your child is a natural investigator?

The desire to explore and ask questions is a part of childhood and is a key ingredient to successful science exploration. Nurturing that natural investigator helps create a lifelong learner and a powerful problem solver.

At NHMU, we strive to inspire a sense of self that empowers authentic explorations, nurtures meaningful relationships, and connects innovative minds with STEAM (Science, Technology, Engineering, Art, and Math) investigations.

NHMU Summer Camp brings amazing science- and nature-based camp experiences to your kids. Camps take full advantage of the Museum's exhibits, outdoor spaces, and the natural environment of the foothills.

At our camp, your child will:

- ▶ **Explore the natural world from new perspectives**
- ▶ **Put the scientific method into action**
- ▶ **Engage in authentic experiences with Museum staff and specimens**
- ▶ **Make new friends and have fun!**

The Basics

- ▶ Each camp is designed to capture the attention and interest of your child and is targeted for the grade they will enter in the fall of 2019.
- ▶ NHMU Summer Camps run in week-long, half-day or full-day formats.
- ▶ Camp sessions vary in price, depending on grade, length of day, and duration of week. Check individual listings.
- ▶ Partner Camps for children entering 2nd-3rd grades begin at the partner location and end at NHMU, unless otherwise noted.
- ▶ Partner Camps for children entering 4th-5th grades begin at NHMU and end at the partner location, unless otherwise noted.
- ▶ Campers enrolled in full-day sessions should bring their own non-refrigerated lunch from home along with a drink. We offer a supervised lunch hour that includes time to explore outside.
- ▶ Campers will receive a reusable water bottle and a camp shirt with their camp registration fee.
- ▶ Visit our Frequently Asked Questions page on our camp website or feel free to contact the Camp Director at programs@nhmu.utah.edu

Summer Camp 2019 Schedule

Week 1..... June 10 - 14

Week 2 June 17 - 21

Week 3 June 24 - 28

Week 4* July 1 - 3 (*M - W only)

Week 5 July 8 - 12

Week 6 July 15 - 19

Week 7* July 22 - 23 & 25 - 26 (*no camp on W)

Week 8..... July 29 - August 2

Week 9..... August 5 - 9

- ▶*Week 4, July 1 - 3, is a three-day week (*M - W) due to the Independence Day holiday.
- ▶*Week 7, July 22 - 23 & 25 - 26, is a four-day week (no camp W) due to Pioneer Day Holiday.
- ▶ Not all school districts begin summer break at the same time—check your school schedule before registering.

Camp Fees

Prices vary. See individual listings.

Members Receive a Discount, Plus Early Registration Opportunity!

- ▶ **Family Members** receive a 10% discount on all camps
- ▶ **Naturalist and Curator Members** receive a 15% discount on all camps
- ▶ **Copper Club Members** receive a 20% discount on all camps

Camp Partners

We are pleased to work with several community partners to enrich your child's learning experience this summer.

Visit our website for more information on these partner organizations including drop-off and pick-up locations.

Kindergarten MUSEUM CAMPS

NHMu Kindergarten camps are designed for children who will enter Kindergarten in the fall of 2019 and who are completely potty trained. Each camp is created using Utah's Early Childhood Core Standards. For our full-day session, time between morning and afternoon sessions will be spent eating a lunch brought from home and exploring outside with Red Butte and/or NHMu staff. Please note that not all school districts begin summer break at the same time—check your school schedule before registering.

Price and duration of camps vary.
See individual listings.

SENSEsational Science

Our bodies do some amazing things! Every day campers will explore the natural world, observing and investigating with their senses. There will be a variety of hands-on discoveries, Museum tours, art projects, and an array of exciting learning opportunities—both inside and outside the Museum. Come and SEE for yourself!

Week 1 • June 10 – 14 • 9 – 11:30 a.m. • \$155

Week 6 • July 15 – 19 • 9 – 11:30 a.m. • \$155

It's ALIVE!

Partner Camp with Sarah Bly of Kidding Around Yoga

This session will have students actively exploring mammals and reptiles (including dinosaurs!). From classifying and comparing to investigating life-cycles and survival needs—we've got it all in this session. Campers will explore Museum exhibits, create animal-related projects and artwork all while making new friends and acquiring life-skills in science. At the end of each day, we'll welcome Sarah Bly, certified Kidding Around Yoga instructor, who will be adding music and movement to our experience.

Week 2 • June 17 – 21 • 9 – 11:30 a.m. • \$155

Week 8 • July 29 – August 2 • 9 – 11:30 a.m. • \$155

Jr. Detectives

In this camp session, students will utilize the scientific method to explore their world. They'll use scientific tools to observe, collect, and interpret information while drawing conclusions and communicating with others. Campers will go on Museum-wide scavenger hunts, explore the Paleontology Lab, and participate in many hands-on/minds-on activities as they learn about the world around them. *Note that in week 7 there is no camp on Wednesday, July 24.

Week 3 • June 24 – 28 • 9 – 11:30 a.m. • \$155

Week 7* • July 22 – 23 & 25 – 26 • 9 – 11:30 a.m. • \$124

Weather Watchers

Join us as we explore our ever-changing seasons, severe weather patterns, temperature, and more! Campers will create shadow and sun print art, tour the Museum's galleries, build rain sticks and weather vanes, investigate how weather affects plant and animal growth, and track daily atmospheric phenomena. *Note that camp runs Monday-Wednesday only due to July 4th holiday.

Week 4* • July 1 – 3 (*M – W only) • 9 – 11:30 a.m. • \$93

Let's Build with LEGO®

Join us for a week of LEGO building bliss! Campers will utilize a range of LEGO educational kits and hundreds of bricks as they construct bridges, explore wheels and axles, and build cars and launchers. As they participate in these engaging STEAM activities, they will be practicing their critical thinking while strengthening their communication and problem-solving skills.

Week 5 • July 8 – 12 • 9 – 11:30 a.m. • \$155

Week 9 • August 5 – 9 • 9 – 11:30 a.m. • \$155

Into the Woods

Partner Camp with Red Butte Garden

A love of nature grows out of a child's frequent contact with the natural world. In the morning, campers will spend time at Red Butte, investigating the many inhabitants of the Garden while using their senses along the way. In the afternoon at NHMu, we'll take time to slow down and actively investigate the natural processes that surround us, like the rock and water cycles. Drop camper off at Red Butte Garden by 9:00am and pick up at NHMu at 3:00pm. Campers will be escorted from one location to the other during the lunch hour.

Week 8 • July 29 – August 2 • 9 a.m. – 3 p.m. • \$280
