

First Peoples

2nd-3rd Grade Student Activity Guide

Name: _____

Take a look in the cases with jewelry. What material was the most common for the Fremont to use?

Why?

If you were to design a piece of jewelry out of this same material, what would it look like? Draw below:

A large, empty rectangular box with a thick orange border, intended for a student to draw a piece of jewelry.

Find the wall labeled “First Peoples”. Read the section with the title “1000BC-AD 500 Late Archaic”. How did a wetter climate affect the population of Utah?
